

## Other ideas for keeping the kids entertained...

The following are some ideas for entertaining the children while on holiday:

### Sorrento Ocean Beach

At the end of Ocean Beach Road, this beach has a huge rockpool (purpose built) for kids to swim in. There are also walks and lookouts. **NOTE ROCKPOOLS MAY ONLY BE AVAILABLE AT LOW TIDE.**

### Rock Pools

Rock pools are so interesting for children. The following are beaches that have some great rock pools. **PLEASE NOTE THAT SEARCHING ROCKPOOLS IS VERY DEPENDENT ON THE TIDES – LOW TIDE IS ESSENTIAL.** Rockpools can be found at Ocean Beach – Diamond Bay Sorrento – Pearses Beach – Blairgowrie and No 16 Beach (Browns/Lillian Rods Rye) west to The Divide for exploring at low tide and swimming.

### London Bridge and The Farnsworth Track

Just to the west of Portsea Back Beach is a local attraction known as 'London Bridge', a rock arch formed by the action of waves. There are several ways to get there. If you are not inclined to walk, London Bridge Rd heads west off Back Beach Rd to the site. However, if foot power is your choice you can follow the Farnsworth Track (3 km return) along the cliff-tops which are popular with hang-giders. Start at the Portsea Ocean Beach carpark and return along the beach. En route is the Eastern Lookout which affords excellent views: eastwards to Cape Schanck and a ridge that leads north to Arthur's Seat; westwards to Barwon Heads and the Otway Ranges, and northwards to Mud Island, Swan Island and the Bellarine Peninsula.

### Greens Bush

Greens Bush is a large area of bush in the centre of the Mornington Peninsula and it can be accessed from Baldrys Road, Main Ridge, next to Main Creek. It has walking tracks through the bush from one end to the other. The Baldry Circuit Walks (Short Circuit, 1.6 km; Long Circuit, 3.6 km) are very suitable for families. Wildlife can be seen in the bush, especially kangaroos in the evening. There is a picnic area with wood barbecue facilities at the Baldrys Road entrance, near the creek. Melway reference 254 C4

### Rye Pier

Octopus Garden – snorkelling trail in shallow water. The recently established Octopus's Garden under the Rye Pier is great fun to learn by snorkelling about the wondrous sealife in Port Phillip bay

### Pier fishing

### Stand Up Paddle Boarding

Stand-up Paddle (SUP) is the fastest growing water sport in the world, and it's little wonder why. The low-impact sport encourages general fitness through strength and balance exercise, all while having fun in the water. Better yet, the leisurely sport requires no existing level of skill to be able to have a great time. Call: 0416184994
